

## How to place your Vote

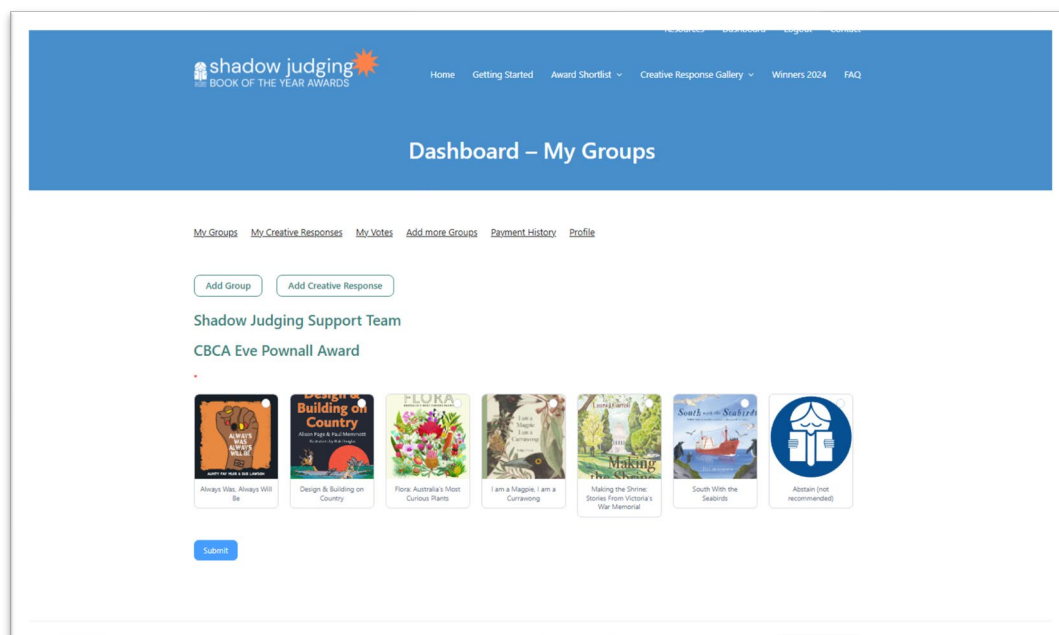

Login to the website using your login link and navigate to the Dashboard tab.

Click on the Vote button beside your group. If your account is shared by multiple groups, take care to select the correct one.

Select your book of choice then the submit button – and that’s it, you’ve voted!

You can change your vote at any time up to the August 1 deadline by navigating to Dashboard -> My Votes -> Edit.

## **Abstention**

Groups also have the option to abstain from voting. We do not recommend abstention because working as team to select a winner is a key part of the judging experience, but for groups that truly cannot choose, the option is there.

If you decide to abstain, we would greatly appreciate it if you take the time to select the abstention button on the voting page and indicate why your group is abstaining (rather than simply not submitting a vote). This will provide us with valuable insight into how we can improve our program in the future.
